

Kameda Daiichi Hospital Outpatient Doctor List

(from June 17, 2024)

☆ More seriously ill patients have priority. In case no patients are accepted on a certain day or another doctor examines the patients on behalf of the doctor in charge, only patients with an appointment can be seen.

☆ Departments with "appointment only" need an appointment.
Please call on working days p.m. 2 to 5 to get an appointment (phone number is 070-5463-1494).

No walk-in appointments accepted on a certain day without an announcement.

☆ Changes of schedule are announced at the entrance and each department.
